

MLA'S & MP'S COLONY CULTURAL CENTRE

NOTE FROM THE SECRETARY'S DESK

DEAR MEMBERS,

Summer is the season of golden skies and spontaneous adventures. It's when late nights blur into early mornings, and laughter fills the air like music. The world feels wide open—perfect for road trips, cold drinks, and chasing the sun. While the days burn bright, there's also beauty in slowing down and soaking it all in.

We are pleased to announce the opening of several exciting new facilities, designed with our members in mind. These include a refreshing swimming pool, a welcoming family restaurant, as well as pickleball and paddleball courts. Each facility has been thoughtfully created to enhance the overall experience, providing a variety of options for relaxation, fitness, and socializing. Whether you're looking to unwind, enjoy a delicious meal, or engage in friendly competition, there's something for everyone. We can't wait to see you take full advantage of these new amenities and make unforgettable memories with us!

We're excited to stream IPL matches on the big-screen TV at our BAR! Enjoy the action with exclusive IPL specials on food and drinks. It's the perfect opportunity to gather with friends and family, cheer for your favourite team, and make the most of the game day atmosphere. Don't miss out—come join us and make it a memorable experience!

We are also implementing our club website(MMCCC.IN) and mobile app, which are currently in progress. Once they are ready, we will update accordingly.

If you have any feedback or suggestions, please email me at secretary@mmccc.in.

Best Wishes,

Ragidi Laxma Reddy
